BETHEL HISTORICAL SOCIETY MARKING 10th ANNIVERSARY THIS MONTH

No one seems to know who first conceived of a Bethel Historical Society, but in 1855 thirty citizens gathered for what was recorded as an antiquarian supper with a desire to preserve the town's history. Various reminiscences were heard all apparently faithfully recorded in the "Oxford Democrat" by Bethel's most prolific historian, Nathaniel Tuckerman True. Nothing toward the formation of an official organization was attempted, however, at this time or any other until relatively recently. The Bethel Library Association founded in 1879, seems to have been the repository for many of the printed materials that passed from private hands and were retained within the town. Not surprisingly the Library Association, probably in response to the local history movement of the twentieth century and with the promise of a substantial gift of antiques, which explored in 1963 the possibility of a historical society or museum within the library building. These plans never developed, however, but several of the library trustees plus other interested citizens were instrumental in founding the Bethel Historical Society at a meeting in the Library on May 31, 1966.

Eighteen individuals gathered for that meeting, all later to be designated the charter members of the organization. As recorded by Eva Bean who became the Secretary and the most influential members of the young Society, the charter members were: Bryant Bean, Eva Bean, Margaret Carter Bean, Elizabeth Mason Carter, Philip and Mary Chadbourne, Rosalind R. Chapman, Edith H. Eypner, Agnes H. Haines, Floribel Haines, Ralph Hall, Edith K. Howe, Geraldine S. Howe, Bernice H. Noyes, Vance and Janet Richardson, Faye S. Taylor, Nell Valentine, Charles Heywood who did not attend the first meeting was elected President, Nell Valentine, Treasurer.

From the beginning, the Society set definite goals: to raise money, to preserve and interpret the history of the area, and to secure a permanent home. Fund raising was chiefly limited to achieving a mile of pennies in yards (48 cents to a yard), but various other items (buttons from an apple tree allegedly planted by Molly Ockett) were sold and a highly successful continued on Page Four

Original pictures will be copied for display and all objects will be adequately protected during the exhibits. Photographs will be taken for display of items not suitable for loan. COMMENTS FROM THE TOWN MANAGER'S OFFICE

The revaluation of property in the Town of Bethel is nearly completed. The objective of this revaluation is to review present property values and adjust them to fair market value. The James W. Sewall Co. of Old Town has been working for the past year at updating these property values and will be sending out notices shortly to each property owner notifying them of the 100% market value of their property.

Following the mailing of these notices, hearings will be held at the Town Office by the Sewall Co. to discuss the new values with anyone wishing to do so. The notices received by property owners will give the times and dates of the hearings.

Most of all the homes and businesses in the town have been inspected by the Sewall Co. however, there are cases where no one could be reached for this purpose. It is expected that after receiving the notices, these property owners will call and make an appointment for the purpose of inspection.

As a reminder, summer dump hours (12 noon to 6 p. m. Tues.-Fri., and 10 a. m. to 6 p. m. Sat. and Sun.) went into effect Tuesday, May 4. The Town is working to upgrade our dump facility and we ask your continued help by dumping waste materials over the bank at locations specified by the dump attendant.

Meetings scheduled next week include: a regular Selectmen's meeting, Monday, May 10, at 7 p. m. in the Town Office; Recreation Board, Tuesday, May 11, at 7:30 p. m. in the Town Office; Radio Study Committee, Tuesday, May 11, at 7:30 p. m. in the Fire Station; and the Planning Board Wednesday, May 12, at 7:30 p. m. in the Town Office.

SPRING SEWING FAIR AT SOUTH PARIS MAY 15

Skilled seamstresses will present a variety of sewing techniques at the Spring Sewing Fair on May 15, at Oxford Hills High School, South Paris.

The all-day fair, which starts at 10 a. m. and continues until 4 p. m. will have special features. Becky Titzer, a national sewing company representative, will demonstrate Men's Jacket Tailoring at 11 a. m. and 2 p. m. Becky will also share Quick Sewing Tips at 12 noon and at 3 p. m. The 4-H Dress Revue at 1 p. m. will feature spring fashions created by youth of all ages. From beginner to advanced, there are new ideas for all.

Jane Barth, Bethel, will be working with Frostline Kits. These are economical ways to make goose-down vests, jackets and sleeping bags. Jane Gray, Family Fabrics, will be making pants and shorts, using quick sewing techniques for construction and fitting. Georgia Posey, Bethel, will be working with Knits and Ribbing to make T-shirts, jerseys and turtlenecks. Want to make a bathing suit? Rita Herrick will demonstrate construction techniques. She will also use these same techniques in making lingerie. Lillian Conant, Bethel, will demonstrate making buttonholes to give a garment a professional look.

Money can be saved in sewing items for the home. Sara-Jane Elliott, interior decorator, will show draperies and curtains that can be made by all. Eileen Thomas, Oxford, has a variety of "fun items" from hats, appliance covers to placemats. Many of these items make great gifts.

How do you add a special touch to a garment that makes it truly unique? Susie Van Ness, Bethel, adds a quilted effect and has fun with trapunto. Rachel MacKay, Bethel, embroiders flowers and other designs with a simple zig-zag for appliques. Estella Pike, an expert with Chinese Embroidery, uses a treadle machine to create this amazing work. Gloria Sawyer adds to her wardrobe with knitted garments.

Margaret Stevens, Extension Specialist, will be demonstrating machine care and repair. Exhibits of sewing notions and pressing aids will be on display.

Bicentennial costumes, created by the Threatcher Group, of Bryant Pond, will be displayed. Intricate detail and authenticity have been reproduced into costumes for all ages.

The Cooperative Extension Service invites interested persons to come to the Sewing Fair, May 15, between 10 and 4 o'clock at Oxford Hills High School.

Sincere thanks to Pete Young and Bob Davis of the Fire Dept., passerby Colwyn Haskell and to Albert Cotton, who discovered the blaze, for helping extinguish the fire in the G.A.N. rubbish truck on Wednesday morning. G.A.N.

S. A. D. #44 BOARD CUTS \$25,000 FROM FY77 BUDGET

The board of directors of S. A. D. #44 met in regular session at the Andover Elementary School on Monday evening of this week. It was the decision of the directors to request sealed quotations from Norway National Bank, Casco Bank and Trust Co. and Maine National Bank pursuant to the temporary borrowing needs of S. A. D. #44 for fiscal year 1977.

By vote of the board 11 telephones will be removed within the District's facilities, as follows: one at Crescent Park School; three in the Superintendent's Office, and storage area; one in Guidance (Telstar); one in Library (Telstar); one at the Maintenance Garage; one at Woodstock Elementary; two in the Co-Op Office (Telstar); one in the kitchen area (Telstar).

The board declined to voluntarily recognize the S. A. D. #44 Administration Association as a collective bargaining unit for the principals of the district's schools. An election will be required to determine whether a majority of the principals concerned desire to be represented by the aforementioned association.

The board approved an overnight trip to Biddeford by the Telstar Student Council. Expenses are to be borne by the Student Council. The faculty advisor, Felix Otero-Otero, is to make arrangements for transportation. No cost shall accrue to the District, except that which past practice may dictate in payment of mileage for a teacher using his own car for a school sanctioned event.

The board confirmed the transfer of Arthur H. Whitten to Andover Elementary School as custodian/bus driver from a similar position at Telstar. The board voted to advertise the vacancy at Telstar created by the transfer.

The directors approved an amount of \$140 plus the use of one vehicle to enable S. A. D. #44 personnel to attend a Custodial and Maintenance Workshop to be held at Farmington in June.

Because of a five-to-five vote, the directors failed to approve the issuance of a warrant for district meeting based on the continued on Page Eight

GILEAD WOMEN'S CLUB
AND CHILDREN
ATTEND SHRINE CIRCUS!

On Saturday, April 24, at 7 a. m. on a cheerful, sunny morning 38 children and 11 mothers left Gilead for a trip to the Shrine Circus in Lewiston. Excitement mounted as we reached our destination, a loud and happy cheer rang out when we pulled into the Lewiston Youth Center.

The Kora Temple 23rd annual 1976 Edition of the Shrine Circus was spectacular and entertaining right up to the last act! All too soon the show ended, but the children will remember the live animals and clowns, trapeze acts, and comedy acts for quite some time! Next we headed to McDonald's in South Paris where we stopped for our lunch. Then, home to Gilead with tired, smiling faces!

The Women's Club would like to express its deepest thanks to the Bethel Shriners for their generous gift of free tickets for all the youngsters and adults. Also a very special and grateful thank you to "Lionie" Davis who donated his time to drive the Gilead bus for us so it was possible for these children to enjoy such a fun day! Thanks to all again!

The members of the 101st Airborne are playing the enemy forces and will wear a patch featuring the head of an eagle and the word Airborne, with U. S. Army uniforms and red armbands. They may be wearing blue berets or steel helmets. Their vehicles are marked with a triangle enclosed in a circle.

Various reminiscences were heard all apparently faithfully recorded in the "Oxford Democrat" by Bethel's most prolific historian, Nathaniel Tuckerman True. Nothing toward the formation of an official organization was attempted, however, at this time or any other until relatively recently. The Bethel Library Association founded in 1879, seems to have been the repository for many of the printed materials that passed from private hands and were retained within the town. Not surprisingly the Library Association, probably in response to the local history movement of the twentieth century and with the promise of a substantial gift of antiques, which explored in 1963 the possibility of a historical society or museum within the library building. These plans never developed, however, but several of the library trustees plus other interested citizens were instrumental in founding the Bethel Historical Society at a meeting in the Library on May 31, 1966.

Eighteen individuals gathered for that meeting, all later to be designated the charter members of the organization. As recorded by Eva Bean who became the Secretary and the most influential members of the young Society, the charter members were: Bryant Bean, Eva Bean, Margaret Carter Bean, Elizabeth Mason Carter, Philip and Mary Chadbourne, Rosalind R. Chapman, Edith H. Eppner, Agnes H. Haines, Floribel Haines, Ralph Hall, Edith K. Howe, Geraldine S. Howe, Bernice H. Noyes, Vance and Janet Richardson, Faye S. Taylor, Nell Valentine, Charles Heywood who did not attend the first meeting was elected President, Nell Valentine, Treasurer.

From the beginning, the Society set definite goals: to raise money, to preserve and interpret the history of the area, and to secure a permanent home. Fund raising was chiefly limited to achieving a mile of pennies in yards (48 cents to a yard), but various other items—buttons from an apple tree allegedly planted by Molly Ockett—were sold and a highly successful continued on Page Four

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The revaluation of property in the Town of Bethel is nearly completed. The objective of this revaluation is to review present property values and adjust them to fair market value. The James W. Sewall Co. of Old Town has been working for the past year at updating these property values and will be sending out notices shortly to each property owner notifying them of the 100% market value of their property.

Following the mailing of these notices, hearings will be held at the Town Office by the Sewall Co. to discuss the new values with anyone wishing to do so. The notices received by property owners will give the times and dates of the hearings.

Most all of the homes and businesses in the town have been inspected by the Sewall Co., however, there are cases where no one could be reached for this purpose. It is expected that after receiving the notices, these property owners will call and make an appointment for the purpose of inspection.

As a reminder, summer dump hours (12 noon to 6 p. m. Tues., Fri., and 10 a. m. to 6 p. m. Sat. and Sun.) went into effect Tuesday, May 4. The Town is working to upgrade our dump facility and we ask your continued help by dumping waste materials over the bank at locations specified by the dump attendant.

Meetings scheduled next week include: a regular Selectmen's meeting, Monday, May 10, at 7 p. m. in the Town Office; Recreation Board, Tuesday, May 11, at 7:30 p. m. in the Town Office; Radio Study Committee, Tuesday, May 11, at 7:30 p. m. in the Fire Station; and the Planning Board Wednesday, May 12, at 7:30 p. m. in the Town Office.

SPRING SEWING FAIR AT SOUTH PARIS MAY 15

Skilled seamstresses will present a variety of sewing techniques at the Spring Sewing Fair on May 15, at Oxford Hills High School, South Paris.

The all-day fair, which starts at 10 a. m. and continues until 4 p. m. will have special features. Becky Titzer, a national sewing company representative, will demonstrate Men's Jacket Tailoring at 11 a. m. and 2 p. m. Becky will also share Quick Sewing Tips at 12 noon and at 3 p. m. The 4-H Dress Revue at 1 p. m. will feature spring fashions created by youth of all ages. From beginner to advanced, there are new ideas for all.

Jane Barth, Bethel, will be working with Frostline Kils. These are economical ways to make goose-down vests, jackets and sleeping bags. Jane Gray, Family Fabrics, will be making pants and shorts, using quick sewing techniques for construction and fitting. Georgia Posey, Bethel, will be working with Knits and Ribbing to make T-shirts, jerseys and turtlenecks. Want to make a bathing suit? Rita Herrick will demonstrate construction techniques. She will also use these same techniques in making lingerie. Lillian Conant, Bethel, will demonstrate making buttonholes to give a garment a professional look.

Money can be saved in sewing items for the home. Sara-Jane Elliott, interior decorator, will show draperies and curtains that can be made by all. Eileen Thomas, Oxford, has a variety of "fun items" from hats, appliance covers to placemats. Many of these items make great gifts.

How do you add a special touch to a garment that makes it truly unique? Susie Van Ness, Bethel, adds a quilted effect and has fun with trapunto. Rachel MacKay, Bethel, embroiders flowers and other designs with a simple zig-zag for appliques. Estella Pike, an expert with Chinese Embroidery, uses a treadle machine to create this amazing work. Gloria Sawyer adds to her wardrobe with knitted garments.

Margaret Stevens, Extension Specialist, will be demonstrating machine care and repair. Exhibits of sewing notions and pressing aids will be on display. Bicentennial costumes, created by the Threeliter Group, of Bryant Pond, will be displayed. Intricate detail and authenticity have been reproduced into costumes for all ages.

The Cooperative Extension Service invites interested persons to come to the Sewing Fair, May 15, between 10 and 4 o'clock at Oxford Hills High School.

Sincere thanks to Pete Young and Bob Davis of the Fire Dept., passerby Colwyn Haskell and to Albert Cotton, who discovered the blaze, for helping extinguish the fire in the G.A.N. rubbish truck on Wednesday morning. G.A.N.

S. A. D. #44 BOARD CUTS \$25,000 FROM FY77 BUDGET

DISTRICT MEETING IS MAY 24

The board of directors of S. A. D. #44 met in regular session at the Andover Elementary School on Monday evening of this week. It was the decision of the directors to request sealed quotations from Norway National Bank, Casco Bank and Trust Co. and Maine National Bank pursuant to the temporary borrowing needs of S. A. D. #44 for fiscal year 1977.

By vote of the board 11 telephones will be removed within the District's facilities, as follows: one at Crescent Park School; three in the Superintendent's Office, and storage area; one in Guidance (Telstar); one in Library (Telstar); one at the Maintenance Garage; one at Woodstock Elementary; two in the Co-Op Office (Telstar); one in the kitchen area (Telstar).

The board declined to voluntarily recognize the S. A. D. #44 Administration Association as a collective bargaining unit for the principals of the district's schools. An election will be required to determine whether a majority of the principals concerned desire to be represented by the aforementioned association.

The board approved an overnight trip to Biddeford by the Telstar Student Council. Expenses are to be borne by the Student Council. The faculty advisor, Felix Otero-Otero, is to make arrangements for transportation. No cost shall accrue to the District, except that which past practice may dictate in payment of mileage for a teacher using his own car for a school sanctioned event.

The board confirmed the transfer of Arthur H. Whitten to Andover Elementary School as custodian, bus driver from a similar position at Telstar. The board voted to advertise the vacancy at Telstar created by the transfer.

The directors approved an amount of \$140 plus the use of one vehicle to enable S. A. D. #44 personnel to attend a Custodial and Maintenance Workshop to be held at Farmington in June.

Because of a five-to-five vote, the directors failed to approve the issuance of a warrant for district meeting based on the continued on Page Eight

Bob Cummings, a senior at Telstar High School, is employed by John Rayne of Saga Food. Saga Food provides the food service for Gould Academy during the school year and N.T.L. during the summer months.

Bob's prime responsibilities touch on all phases of food preparation. He derives the most enjoyment from preparation and cooking of meals, but also has been involved in baking as well as making salads and desserts.

Bob indicates that the Co-Op Program has "helped me a lot". Through participating in the program he has confirmed his interest in pursuing cooking as a career, but has also learned a great deal about assuming responsibilities, learning to work with other people, and of course numerous skills in food preparation. He intends to pursue a career in cooking upon graduation, telling us that he plans to spend some time in Texas where he hopes to obtain employment as a cook. He is also considering the possibility of furthering his knowledge in the area of culinary arts by going back to school some time in the future.

HISTORICAL SOCIETY

continued from Page One

ful antique show was held the
first summer of its existence.
Various papers were heard at
meetings initially held in the li-
brary but gradually moved to
other locations. These included the
late Ida Packard, speaking on
Bethel post offices, Dale Thur-
ston's presentation on the develop-
ment of dower and wood turning
operations in town, and Florence
Thurston's discussion of Hanover's
history. Several sites were discus-
sed as possible future homes for
the Society to house the materi-
als of Bethel's past that were
collected, but until this goal was
achieved these were stored in the
attic at the library building. A
constitution was adopted the first
year and a pamphlet "Molly Oak-
ett" appeared in 1969.

The struggle to survive was dif-
ficult. Membership grew steadily
but at times meetings had to be
cancelled for lack of a quorum.
Funds were very limited, conse-
quently projects undertaken were
of a decidedly modest nature.
Charles Heywood resigned in
October 1968 as president and was
succeeded by Dale Thurston. But
through this trying period, Eva
Bean with assistance from several
other dedicated members manag-
ed to sustain the fledgling Soci-
ety's life.

With Eva Bean's death in Octo-
ber 1969, the Society lost its most
devoted worker and her unparal-
leled knowledge of local events.
But others stepped in to fill the
void. Mrs. Christine Grover suc-
ceeded Miss Bean as secretary and
her husband John T. Grover, be-
came president in 1969 serving
until 1972, when E. M. Quinn was
elected to that position. A devel-
opment of great importance dur-
ing these years arose through the
interest of Dr. Sidney Davidson
of the William Bingham II Trust
for Charity in the restoration of
what was then the Ada Durell
house, originally built by Dr.
Moses Mason in 1813, as a muse-
um and headquarters for the Beth-
el Historical Society. Its fine Fed-
eral style, Dr. Mason's distinguish-
ed career and the outstanding
Rufus Porter style murals in the
front hall made it an ideal choice.

A painstaking and thorough
restoration took nearly two years
with members of the society as-
sisting in the process. In 1972 the
Dr. Moses Mason House was de-
signed a national historic place
in the State of Maine, due largely
to the efforts of Mrs. Elizabeth
Carter. Mrs. Carter was also chief-
ly responsible for two other un-
dertakings of the Society, Home-
coming Days held in 1971 and
1972 which created great interest
in the town and its past.

During this period of its history
the Society also adopted a con-
stitution and by-laws placing ulti-
mate authority in a board of seven
trustees responsible to the mem-
bership. Incorporation took
place in 1971.

With the deed to the fully re-
stored Dr. Moses Mason House aw-
arded to the Society by the Bingham
Trustees in February 1974, a new
chapter in its history began.
The museum had to be furnished
and the facilities managed by a
curator. An urgent call went out
to the community for donations of
furnishings appropriate to the
time of Dr. Mason's life and the
response was most gratifying. Over
seventy individuals donated at
least one item that could be used
in the museum. Stanley Howe, a
direct descendant of several of
the town's founders and the hold-
er of university degrees in Amer-
ican history was selected as cur-
ator. By the time of the building's
dedication on July 10, 1974, the
museum was operating and the
Society's affairs were being con-
ducted from a central headquar-
ters.

Margaret Joy Tibbets, recently
retired from the State Depart-
ment, succeeded Barbara Merrill
as president in the fall of 1973.
Early in 1974, the Society began
to expand its program and pro-
jects. A twenty-four page special
edition of the "Bethel Oxford
County Citizen" commemorating
the dedication of the Dr. Moses
Mason House and the 200th anni-
versary of Bethel's settlement was
published on July 10, 1974. A
booklet "Dr. Moses Mason and
His House" also appeared in the
spring of that year. The creation
of an exhibit of artifacts and pho-
tographs around the theme "The
Family Farm" as part of the
History Outreach Project of the
Maine League of Historical Soci-
eties and Museums with an accom-
panying pamphlet marked the first
annual Heritage Day in February,
1975. The latter event under the
general chairmanship of Suzanne
Fiske included craft exhibits and
demonstrations, historical films
and museum tours designed to
encourage historical awareness
and appreciation. A microfilm
project was undertaken with a
grant from the Maine Commission
for the Arts and Humanities and
local history programs were de-
veloped for the schools of the
area. Two craft courses and one
in local history were offered for
the first time in the fall of 1975.

In recognition of "an effective
program of preservation, publica-
tion and education," the Society
was awarded a Certificate of
Commendation in October 1975
from the American Association for
State and Local History. An-

BETHEL GOP SENDS

SEVEN DELEGATES TO

STATE CONVENTION

Seven delegates and six alter-
nates from Bethel attended the
Republican State Convention in
Augusta at the Civic Center April
30-May 1. Well over 2,000 of the
faithful gathered for the occasion
and enthusiasm for various can-
didates ran high. Central atten-
tion was focused however on the
Ford-Reagan contest. Bethel's
delegates tended to support the
President but Reagan remained
the favorite of several.

Chairman John Linnell called
the convention to order at the
appointed hour and all appeared
to run smoothly throughout the
two day affair under the Con-
vention Chairman Fred C. Scribner.
Congressman Guy Vander Jagt's
keynote address served to rally
the delegates' fervor to work for
GOP victories in November. The
evening banquet speaker, Presi-
dent Ford's campaign chairman,
Rogers Morton, called for greater
attention to the party's historic
ideals to win more adherents. The
Holiday Inn was the site for the
hospitality suits.

At the district meetings Sat-
urday morning three delegates to
the national convention were cho-
sen and the county caucus choices
ratified. In the voting for the
14 at-large delegates to Kansas
City in August, President Ford's
supporters appeared to win most
of the slots in the state's "un-
committed delegation".

In addition to Bethel's delega-
tion, the town was fortunate in
having Mrs. E. Louise Lincoln
serve as Convention Secretary and
Karen Brown on the Credentials
Committee. Ms. Brown was also
selected as an alternate to the
national convention by the dele-
gates on Saturday.

PORTLAND STRING QUARTET
TO PERFORM AT GOULD
NEXT MONDAY NIGHT

The Portland Symphony String
Quartet will perform in a public
concert at Gould Academy in
Bethel next Monday night, May 10.
The concert will begin at 8 p. m.
in Bingham Hall, presented as
part of the Academy's Guest Ar-
tists and Lecturers' Series. The
public is cordially invited to at-
tend.

The members of the Quartet,
all principals of the Portland Sym-
phony Orchestra, are Stephen
Keckemethy, violin, Ronald
Lantz, violin, Julia Moseley, vi-
ola, and Paul Ross, violoncello.

CHURCH OF THE NAZARENE

On Sunday, the Church school
was held in the downstairs chapel
followed by worship services in
the sanctuary. Everyone there en-
joyed a Fellowship dinner. In the
afternoon a service of song and a
brief message was held at the
Sunset Home in Bryant Pond. The
Youth Group serenaded their
leader, Mrs. Debbie Seames and
her new daughter during the NY
PS gathering at 5:15. Then every-
one enjoyed the yearly visit of
their district superintendent, Rev.
Jack Shandel, from Augusta, who
gave the message.

John Smith, minister of music
for the Bethel Church of the Na-
zarene, is starting a choir and an
instrumental group for special
music for the Sunday services.
Practice will be held Wednesday
evenings at 6 p. m. in the sanc-
tuary. Rev. Don Smith, pastor, will
be holding a study series on the
history of the early church with
prayer and Bible study, in the
downstairs chapel at the same
time. Everyone is welcome. Young
people are especially needed for
the choir and instrumental group.

other significant development was
the construction of an archives
room, the gift of the William
Bingham II Trust for Charity
which is to be dedicated to Eva
Bean on May 6, 1976 during the
Society's 10th Anniversary festi-
vities.

The Society has indeed come a
long way in the decade since
eighteen interested citizens gath-
ered in the public library. Mem-
bership is now approximately one
hundred and fifty. Many if these
individuals plus friends have
worked hard and with the most
generous support of the William
Bingham II Trust for Charity, the
aims of the Society to preserve
and interpret the local past seem
closer to realization. Much more
remains to be done and the So-
ciety anticipates even more am-
bitious programs and projects in
the future.

DEMOCRATIC TOWN COM.

MET SUNDAY EVENING

The Bethel Democratic Town
Committee met on Sunday evening
at the home of Paul McGuire,
Town Chairman. Finance Chair-
man Clifford Hobbins reported on
the results of his efforts of the
past few months. Town Commit-
tee extended their thanks to Mr.
Hobbins for a job well done.

The Bethel delegation to the
May 7, 8, 9, State Convention:
Mr. McGuire, Mr. Hobbins, Rep.
Emily Saunders, and Cathy New-
ell, were present and noted sug-
gestions regarding the 1976 plat-
form. Rep. Saunders reported on
the status of the State Employee
Pay Bill and on the activities of
the State Rules Committee for
Convention which will work to
change party rules so that for
1978 the Platform Committee will
begin its work in September 1977
with the first draft of the platform
being ready for March caucuses.
Platform committee members, Mr.
Hobbins and Mrs. Newell strongly
favored this change.

It was requested that Chairman
McGuire inform the Board of Sel-
ection that a group of citizens,
including those present at the
meeting, plan to attend the meet-
ing of the Board on May 10 at 7
p. m. to discuss the conditions on
Main Street in the village after
the supper hour. The chairman
was also directed to contact in-
dividuals and organizations to
urge their attendance at the May
10 meeting.

bility of a Girl Scout Troop in
Bethel unless more leaders are

Many citizens are enraged over the senseless destruction of a hand-carved totem pole, carved and erected by Jim George. There is an undercurrent of anger which is growing in intensity against crimes, petty and larger, and increasing dissatisfaction of the lack of control and handling of same. A good leader setting up a citizens program might have much support.

The sun rose a ribbon at a time and the hills untied their bonnets. Shifting shadows were on the still surface of the pond which lightened and darkened with the mood of the sun. The mute silence of the night was breaking to welcome another dawn. The first red buds, the greening of the trees, and a new light flashed upon the day making it a perfect one.

It was upon this day that Ruth, Fay, and I took the cross road, muddy and wet to hike the Old Patch Mountain road on the Norway side. Our destination was the restaurant built recently near the entrance to the road leading to Furlong Pond, where it was visited by many snowmobilers this winter. It was hard to believe that many pupils attending my school came over this road in a spring time. In places it felt hollow, in others washed, rocky and porridgey. In spite of alertness I quickly sank in over the top of my boot so carried some of the porridge home.

It was time to observe the leaves, so green in color and perfect in form against the brilliant blue sky. Within such a short time, the woods have changed from bare twigs to a vast verdure, where the new shoots race with each other to unfurl. Maples imparted a brightness, like sunshine among the pines.

The day was warm and seemed to grow warmer up the hills so we removed our jackets.

I was surprised to see the red trilliums for near home there were none at this time. Always, in the "first" and there are many, I find a special pleasure even in the multitudinous return of the smallest, the bluets.

We stopped at the first farm building on our left, once lovely and well cared for. It is close to nature, on the edge of wildness. Here are usually found the violets, the whippoorwills, the sunrises and all that nature can give. Today we saw only the forsythia. And today we also saw destruction to all the buildings. Looking about us we again asked, "WHY?" No dweller on our earth possesses such power to destroy as man. Looking about us on such a sight as this, it was difficult to realize that but a very few years ago a few men hemmed in by the forest, stood on the defensive in the presence of nature. TOPS NEWS

Sixteen members of TOPS (Take Off Pounds Sensibly) Chapter #ME76, Locke Mills, attended the State Recognition Days in Portland, April 30-May 1. Among those honored for having reached and maintained their weight goals were Evelyn Reed and Yvonne Nowlin, both of Bethel. Mrs. Nowlin was also recognized for being named Chapter Queen for 1975.

Out of 63 Maine TOPS Chapters eligible to attend this statewide convention and enter a banner in the annual competition, Chapter #76 was proud to receive a ribbon for first place. Their banner, designed and made by the members, featured a replica of a train pulled by engine No. 1776. It followed the convention color scheme and "Spirit of '76" theme.

Also, as a special feature of this year's convention, The 76ers, the Chapter 76 drill team, dressed in bicentennial costume, opened both the Friday and Saturday sessions with a patriotic routine and flag presentation.

ture against Man. Now there is a reversal.

We lingered but a short time; went on and found the restaurant for which we were searching. It looked quite attractive and inviting with the last menu still posted, a cat in the door, a sign reading CLOSED, and one of NO TRESPASSING.

There was evidence of remodeling and land clearing. We took a few pictures from the roadside, then turned retracing our two miles down the hills filled with mosses, springs and brooks, a soggy expanse; until we took the road which curved left through a narrow way clothed with scraggly bushes and tall trees.

The car on the main highway waited to return us home.

Spring has really arrived when so many people are seeking the mines or stopping to inquire the way. After visits during the day to mines on Saturday; nine cars went up again in late evening. The Hayes family who lives at the end of the road thought they were being invaded. The group were going to look for fluorescent rocks. They put on their rain outfits and set out for the Heikkinen mine, leaving their cars at the Hayes Homestead.

The Greenwood Fire Department held its regular meeting Tuesday evening. Much discussion was centered around the fire near the Kuvaja farm. Cheese, donuts and coffee were served.

Michael Leon of South Paris was a week end guest of Mr. and Mrs. Stanley Wilson and family. On April 27 Michael celebrated his 6th birthday with a party at his home. Among those attending from town were Mrs. Stanley Wilson, Vicki, Laurie, Randy and Alan, and Mrs. Linda Olson and Carrie.
